CONVENTION BUS

The NBRC will acquire busses to transport attendees to and from all of the convention destinations, a service provided for a daily boarding fee to help offset some of the expense incurred by the club. This is a great bargain given the cost of fuel and the fact that we will be traveling several miles to visit all the lofts during the tours. Everyone participating in visitation is encouraged to use the busses since parking space will be limited at many of the lofts. Busses will depart and return to the convention hotel each day.

YOU ARE ENCOURAGED TO UTILIZE CONVENTION BUS TRANSPORTATION FOR LOFT VISITATIONS
PLEASE RESERVE SPACE ON THE REGISTRATION FORM TO ENSURE
THAT ADEQUATE TRANSPORTATION IS ACQUIRED AND AVAILABLE

DONATIONS NEEDED AND GREATLY APPRECIATED

The NBRC Convention is an annual, club-sanctioned event to promote the hobby and encourage fellowship and growth among its membership. While the purpose of the convention is not to generate monetary gain, it is essential that every effort be made to break even each year to avoid significant depletion of NBRC funds.

Those who host the convention strive each year to operate in the black, and those involved in previous organization of this event are well aware of the associated costs and countless hours of donated volunteer time. Funds generated through donations play a significant role in assisting with meal and transportation costs, accommodations, and the ability to make the convention an event to remember.

We will be appreciative of all donations for the convention raffle and auction to assist in generating funds and providing attendees opportunity to win nice hobby-related items and memorabilia. Past support of donations for NBRC conventions has been quite generous and we hope the same will be true for this year's event. Any donation or assistance you can provide for the upcoming convention will be greatly appreciated.

To assist the club by making a charitable donation, please contact:
